Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because i think the people of this community deserve better. They deserve to live in a peaceful community away from air pollution and trucks in their faces every minute of the day.

So please DO NOT do this to the community and elect to care about the people's health and quality of life.

Yours sincerely,
Rosa Pereira
Marrickville, New South Wales, 2204, Australia
