Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I want the people of this community to be safe from poor air quality, even worse traffic and health issues caused by even higher pollution levels. So put this terminal somewhere where it won't negatively impact thousands of people to such lengths. Think about the people of this community. ASK YOURSELF, WOULD YOU LIKE THIS AT THE BACK OF YOUR HOUSE????

Yours sincerely,
Jose Santo
