Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...we live in a residential area and surrounding and the traffic, noise and pollution will be horrendous. Residential housing was there first, so why would you put something that big so close to families wanting a healthy, peaceful lifestyle. I am sure there are better places suited for this and away from Residential housing. I object.

Yours sincerely,
