Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

Increased air pollution causing much more costly disease, increased traffic issues. The M5 is already appalling and loss of the nice lifestyle that we enjoy in Wattle Grove. This is the whole reason that we built here initially with NO TALK of an intermodal. No one is listening to us.

Yours sincerely,
Leonie Pierce
Holsworthy, New South Wales, 2173, Australia
