**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...my husband and my self lives at the corner of Anzac Road and Delfin Drive. our quality of life will be changed for ever. Pollution, noises, traffic jam all over the roads. If you wish to built this intermodal, why not do it in the middle of nowhere, but not on the back door of the Liverpool Area.

I hope that you will read each and everyone mail. voicing their concerns

Yours sincerely,  
Arlette Figon
