Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

1. Increase Water and Air pollution in close proximity to dense residential area is a direct hazard to the health of our family and children
2. More Traffic congestions with increased trucks and heavy vehicles utilising roads already heavy with traffic likely to exceed the designed capacity of our roads.

Yours sincerely,
Patrick Tan
Moorebank, New South Wales, 2170, Australia
