Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because All this will lead to more truck movements to and from the site and have had assurance that Anzac Ave will not be used by the vehicles over 5 Tons. That is a joke trying to stop trucks using Anzac Ave.

The Fed Govt purchased land in 1985 at Badgerys Creek for an airport and other uses..so why not put all the development together.??.

Yours sincerely,
