Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I think that this site should be placed further away from settled suburban areas. The site should probably be moved to the Badgerys Creek area where expansion is set to take place. Planning of future developments in that area could be co-ordinated together with the intermodal but there would be less impact on settled population.

Yours sincerely,
Chris Benson
