Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

I've lived in Moorebank for over 40 years and this proves to be one of the biggest threats to my lifestyle yet. This proposed complex is near my home. I object to the bullying tactics that these large organisations employ and that they have such great influence over decision-making politicians. I hate corruption and will support others who have the same sentiments.

Yours sincerely,
Laurence Tanner
