Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...I am so concerned of the pollution/dust/fumes contaminating our environment.
Suffering personally from lung problems, but it is not just me! Think of the growing generation, our children and our families.
I am sure we deserve to live in a clean environment!

Yours sincerely,
Sandra Bourke
Moorebank New South Wales, 2170, Australia
