Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

The proposed modifications and the manner of which they are intended to be introduced so intentional guile and a blatant disregard for the residence of the community. There is a strong nefarious undertone to the entire process and blatant lack of honest community consultation and failure to identify the community vision for the area.

Yours sincerely,
Daniel Wheeler
Moorebank, New South Wales, 2170, Australia
