Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because it will bring extra trucks and pollution from the demolition plants and I think our kids deserve a better environment than what is planned for them at the moment.

The pollution from these proposals and modifications is going to negatively impact health of all residents in and around Moorebank and also destroy the environment for many generations.

Yours sincerely,
Mandeep Sarna
Holsworthy, New South Wales, 2173, Australia
