Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

It will do irreparable damage to the environment in our area with the removal of most of the trees from the site, silt and chemicals draining into the river affecting water quality.

Local residents will be severely impacted by pollution and traffic problems from the increased heavy vehicle traffic, making surrounding areas unhealthy and unattractive to live in.

Yours sincerely,
Astra Staines
Hammondville, New South Wales, 2170, Australia
