**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

The roads are busy enough already with increased local traffic from new residential developments. Adding this to our area is INSANE !

The hours of operation are totally unrealistic for our suburbs.

Can anyone tell us what EXACT materials will be crushed & how this WILL effect our air quality ?!!

We don't need this !!

Yours sincerely,  
Julie Balfour
