To: DPE CSE Information Planning Mailbox
Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

This project will destroy our community structure ,devalue our property and endanger the life of our young generation.If this is not a strong subject to stop this project,that mean our state and federal government is trowing us tho the dogs. Thanks to Turnbull and to Bill Shorten.

Yours sincerely,
Jim Dimovski
Holsworthy, New South Wales, 2173, Australia
