Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...we live in Wattle Grove. This area is for families not a dumping ground.

Modifying the riverside area like Parramatta is what exactly we need.

Why does this have to be in high density area with M5 becoming a car park.

Take it near the new Airport away from crowd.

If common people can understand this why don't those involved with planning such absurdity know that this will be a total disaster..

NO Intermodal in Our area.

Yours sincerely,
