Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...I am resident of Wattle Grove. I am strongly against the above Federal Government SIMTA MODIFICATION - SSD 5066.

The above project will affect my area most. There will be day-night noise pollution, air quality and traffic conjunction around the area. I live in this area most nice thing is very quiet area, not much traffic problems, nice and fresh air quality. I live in this area from more than twenty years. This all the things will major affect me and my family in day to day life. Please don't take our peace and healthy atmosphere from us.

Yours sincerely,

Jayshree Deshpande
