Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I care about the toxic filth to be dispersed over my young children's environment. I object to the 24/7 truck invasion on our suburban life. I object to the pathetic road infrastructure that is supposedly going to manage the 2 million trucks a year, when the current roads have not been upgraded to manage today's traffic. Do any of you live in moorebank?, or are we too far out west for you to take a visit?,. I object to the brutal attack of 50 + hectares of trees and fauna habits you will happily destroy. You do know Koalas live in holsworthy and wattle grove?, What is your strategy for koalas? A protected animal? The intermodal does not belong in moorebank. Stop using SW Sydney as a dumping ground, and on its residence. We , our health , and our precious environment all matter!!

Yours sincerely,
Melissa Hussey
