I object to these modifications, on merit and on principle because the current traffic in Moorebank is absolutely unacceptable taking me and my wife at least two hours to get home and to work every day Moorebank roads are congested as they are now try it yourself for a week and see .the pollution levels in Moorebank are at an all time high and this will only make it worse this will devalue our area even more. If this is approved my family will move out of the area what a shame Moorebank was set to be a great area this will ruin it

Yours sincerely,
