Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

Moorebank cannot take any increase in vehicle movements, this suburb is already at capacity plus there are new housing estates under construction which will put further strain on roads in the area.

Moorebank is a residential suburb housing families with young children and cannot be put in danger of health problems due to increased air pollution.

Find a more suitable area away from families to implement these developments.

Yours sincerely,
Pamela Browning
