**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because the area is not an industrial area. The area is a residential area. I'm quite surprised that all elected representatives of the area object however this doesn't appear to matter. We live in a democracy however representatives outside of the area seem to dictate how we should live and that is a disgrace!

Yours sincerely,  
Richard Main
