Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...of the heavy influx of trucks, pollution and noise it will cause our residential quiet family suburb of Wattle Grove. I strongly feel it should not be so close to residents and should be at Badgerys Creek which is away from so many houses. I worry about lack of sleep I'd get from the noise of all the trucks and the extra traffic it will cause.

Yours sincerely,
