**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

It will be very destructive on our roads and have health effects on local residents. There are many other areas that would be more suitable for such a large plant like this. It will be very destructive to our environment and the Georges river which we all use on a regular basis.

Yours sincerely,  
Maxine Noppen  
Oatley, New South Wales, 2223, Australia
