**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because to put this in the middle of a residential area would be distrastous. The pollution, dust and noise from this development would cause enormous environmental and health issues for decades to come.

This development should be build at Eastern creek/badgerys creek airport in an industrial area.

Yours sincerely,  
Brian Bennett  
Wattle Grove, New South Wales, 2173, Australia
