Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

There are many safety concern that will be brought about in a small and high populated area.

I also believe it will increase traffic around the area, which is already an issue and we don't need it to be enhanced, especially by trucks.

Yours sincerely,
Shauna K
New South Wales, 2170, Australia
