Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I believe Moorebank doesn't need the extra traffic and Pollution. I moved to Moorebank to have a good family life. My kids have asthma and we are already struggling with current pollution. Please don't make it worse for us. It is also already taking us 25 minutes in traffic to get to school which is only 5 minutes away. We don't need the extra traffic.

Yours sincerely,
Anna Hindi
