**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because...

I am concerned about the health impact on my family. I have lived in this great area my whole life and decided to raise my children here but unfortunately this development is going to destruct the area and force alot of families to move out for the well being of their children.

With the second airport planned at Badgery's Creek wouldn't the smarter choice be for the intermediate to go there.
