**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because of the health impacts on all people in the area especially children. Particulate matter will increase the likelihood of cancer and other illnesses. My eldest son has asthma and it will mean we may have to move out of the area. He also has autism so finding school supports is no easy task. This will have enormous ramifications for our family.

Yours sincerely,  
Debra Napier  
Hammondville New South Wales, 2170, Australia
