Subject:	PRESS RELEASE>>>>Commonwealth Sinks in Moorebank!

The BIG Problem is that DEFENCE HOUSING AUSTRALIA in a previous entity SOLD THE LAND NEXT DOOR to the MOOREBANK INTERMODAL FIASCO for a Big FAT PROFIT!......The Commonwealth of Australia cannot now decide to wreck the adjoining residential 1000 Block land project to suit a profit motif. The NSW Planning DEPARTMENT is Being Used to Validate a Complete Con Trick

The lack of HIGHER MORALITY by the Commonwealth of AUSTRALIA demonstates the POLLUTION of VALUES IN THE GOVERNMENT OF THE COUNTRY>

Federal Excess Government Land Sales have to be trusted or otherwise the Commonwealth lands retained throughout this country will be worthless in future to all perspective buyers costing the government HUNDREDS OF BILLIONS of DOLLARS in FUTURE LAND SALES REVENUE.

Defence Housing Australia is advertising the value of lands it is selling in media all over our country attempting to con investors and everyday mum and dad buyers everyday despite the attitude to the contrary of the government that presides over that entity,.
