Hello Andrew,

Thank you for giving Council an opportunity to provide comments on the proposed modification.

Council has reviewed the documentation provided and have no issues with the plans and proposed modifications.

Should you require any additional information or clarification of the content of this email please do not hesitate to contact me.

Kind Regards,

George Kenende

Development Assessment Officer

Subject: Planning NSW Notification of SSD Modification Application - Snapper Mineral Sands Mine MOD 7

Attention – George Kenende

Dear George

A modification application and report has been submitted to the Department of Planning,

Industry and Environment for the proposed Snapper Mineral Sands Mine Modification 7 (06_0168 MOD 7), located in the Wentworth Shire LGA.

The modification application involves a minor north-west extension of the mine, including realignment of Nob Road and changes to the final void.

The Modification Report will be publicly exhibited from **Wednesday 4 December 2019** to **Wednesday 18 December 2019**, and will be publicly available at:

<https://www.planningportal.nsw.gov.au/major-projects/project/25616>

The Department has requested the applicant to deliver two hard copies and digital copy of the Modification Report directly to your office. I would appreciate it if during the exhibition period one hard copy could be placed on public display and the digital copy is made available, at your office.

I invite Council to comment on the modification, including advice on recommended conditions of consent by **Wednesday 18 December 2019**.

The Department's exhibition notice for this application is enclosed for your information.

If you wish to discuss this matter further, please feel free to contact me on 02 8289 6744 or at andrew.rode@planning.nsw.gov.au

Kind regards

Andrew
