Hyva is a leading global provider of transport solutions for the commercial vehicle industry. The company is committed to the development, production, marketing and distribution of equipment used in hydraulic loading and unloading systems on trucks and trailers. Its products are used worldwide across transport, construction, mining, materials and waste handling sectors.

Founded in 1979 in The Netherlands, Hyva today has 13 manufacturing facilities around the globe, operates in more than 130 countries with over 2,400 employees, encompassing 36 subsidiaries serving more than 25,000 customers.

Hyva Pacific, headquartered in Thornton NSW, distributes Hyva Hydraulics including a complete range of tipper cylinders, PTO's, pumps, valves, tanks, controls and accessories. It also offers a proven range of Hyva Lift hookloaders and skiploaders and carries the complete Ferrari truck mounted crane range to meet every lifting requirement the industry may have.
