but I'm afraid they can not
and will never give enough
back for the Loss of
Ravensworth Estate.

yours sincerely.

Dear Sir/Madam,

We ~~z~~ object to the
relocating of Ravensworth
Homestead simply because of
its history. so much history
and a mine is Just going to
move an 100 year old Homestead
made of sandstone, how is it
even possible to move that.
then to create a huge hole &
where Ravensworth Estate once
stood. ~~its~~ Its very Easy to destroy
our History once its gone its
gone forever and it will be
gone all because of Money.
We know Glendell ~~is~~ does + will
give back to the community
