Subject: RE: 17/0238 PB Exhibition of Modification Request for The Star Casino (MP 08_0098 MOD13) - Sydney Airport

Hi Matthew,

Thank you for your email and letter regarding the modified plans for the Star Casino. After reviewing the information, Sydney Airport would like to advise that as the overall heights of the development, and the tower cranes, have not changed, the approval from the Department of Infrastructure and Regional Development, still stands.

Should the development exceed the height of 237m AHD and the Tower Cranes exceed 285m AHD, then a new application must be lodged.

Thank you.

Kind regards
Maryann
