To Whom it May Concern

I oppose the development of the **Culcairn Solar Farm** (application number: **SSD-10288**).

I am opposed to Highly Productive Agricultural Land being used for Industrial purposes.

After thorough investigation, my family purchased a property in the Greater Hume Shire due to the reliable rainfall and superior soils. We found few areas in New South Wales to have these two qualities together. Surely, Solar Farms would be better suited to marginal land.

Over the past two years, I have not made any reportable political donations.
