Dear Mr Bocioc

**Tamworth Solar Farm (SSD-9264)
Response to Submissions**

The exhibition of the Environmental Impact Statement (EIS) for the Tamworth Solar Farm ended on Thursday 26 February 2020.

The Department received 16 submissions on the project, including 11 from government agencies and five from the general public. The Department notes that advice from TransGrid will be provided under separate cover.

The submissions received by the Department during the exhibition of the proposal are available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/14721>.

The Department requires that you prepare and submit a report detailing your responses to the full range of matters and recommendations raised in all submissions, in accordance with clause 85A(2) of the Environmental Planning and Assessment Regulation 2000.

Please provide your response to the Department by **Thursday 26 March 2020**. Following your consideration for submissions, please contact the Department if you consider that this timeframe is not achievable.

If you wish to discuss this matter, please contact Natasha Homsey on 02 8275 1264 or at natasha.homsey@planning.nsw.gov.au.

Yours sincerely
