Dear Ms Hawkeswood

Sunrise Mine Modification 4

I refer to your request dated 28 November 2017 seeking comment from the Office of Environment and Heritage (OEH) on the exhibited Environmental Impact Statement for the Sunrise Mine modification 4.

OEH note that the proposed modification will result in an additional 0.31 hectares of native vegetation clearing that falls outside of the currently approved footprint. OEH recommend that these impacts be adequately offset.

If you have any questions regarding this matter please contact Michelle Howarth on 02 6883 5339 or email michelle.howarth@environment.nsw.gov.au.

Yours sincerely
