Dear Ms Mulcahy

**New Public School in Mulgoa Rise, Glenmore Park (SSD-11070211)
Response to Submissions**

The exhibition of the application for the above proposal ended on 30 September 2021.

The Department received two public submissions, as well as comments from several public authorities. We have placed all submissions on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/40606>.

The Department requests a written response to issues raised in the submissions, as required under clause 82 of the *Environmental Planning and Assessment Regulation 2000*. The Department is carefully reviewing the proposal, as well as all issues raised in the submissions, and a subsequent letter will be sent to you shortly requesting consideration raised by the Department at that time.

Meanwhile, the Department requests that you begin to review and respond to the issues raised, with a view to providing a Response to Submissions report to the Department by 12 November 2021. Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Secretary receives your response are not included in the period of 'deemed refusal', under clause 113(7) of the *Environmental Planning and Assessment Regulation 2000*.

If you have any questions, please contact Teresa Gizzi on 02 8275 1124 or at teresa.gizzi@planning.nsw.gov.au.
