Mount Pleasant Coal Project - DA 92/97 Modification 3

Australian Pacific Coal Limited (APC) wishes to confirm that it has reviewed the Mount Pleasant Coal Project - DA 92/97 Modification 3 Application and its supporting documentation.

Further to the above APC has met with the applicant to discuss the modification application.

APC supports the application and notes that there is the potential for material synergies between the orderly development of the Mount Pleasant Coal Project and APC's aspirations for its adjoining Dartbrook Coal Mine.

Yours faithfully,

John Robinson
CEO
Australian Pacific Coal Limited
