I have worked at Bengalla for the Past [redacted] as a [redacted]. I was born and raised in the area and in this time have seen Bengalla grow into a very successful Business, and now employ's 600+ people which is great for the community. Bengalla is a very professional company and seems to have its employee's best interests at heart, as well as the environment which it puts numerous resources into achieving a high standard of rehabilitation work. That is why support Bengalla's application as I think it has Bengalla's employee's & Mac Energy's best interest at heart, we both need to get along, it's in the community's best interest
