To whom it may concern,

I am writing to you regarding the modification of the railway line for Mt. Pleasant and voice my concern if such action does not occur. I am a production operator at Bengalla Coal Mine and have been for the past five years. The organisation is a fantastic venture to be a part of and is not only an important part of my livelihood but of 600 other employees. The company is integral to the success of the local community who benefit through sponsorship, fundraising, continuation of employment for local business and local infrastructure projects. I believe that modification to the proposed railway loop is critically important for the township of Muswellbrook and an outcome which results in both mining parties to be prosperous. With obvious benefits of continuation of employment and future job prospects ongoing the community of Muswellbrook and the welfare of hundreds of local families can continue to benefit from our industry.

Shane Martene.
