Submission: \*

We will publish your submission including any personal information about you which you have chosen to include in your submission, on the department's website. Your submission can be either typed in the column below or uploaded.

After being retrenched from underground, got a start at Bengalla as a operator. Been here for 2 1/2 years. really enjoyed it great place to work at. Hoping to retire here, won't be if this rail track doesn't get moved, so we can continue mining the rest of this lease. This mine does a fair bit for this community. And will miss out on a lot more if it is shut in 2021.

Regards Jason Petta
