I have worked at Bengalla for four year as a shot-fire and during that time I have witnessed first hand the large involvement this company has regarding direct support and involvement with local charities and community initiatives everything from open days at the mine it's self to direct donations to Camp Quality. My hope is that some harmonies decision can be made to help both organisation be able to operate and for Bengalla to keep moving forward and help support and maintain it's long standing, close relation ship with our local community
