I have worked at Bengalla for [REDACTED]. During my time at Bengalla I have learned how important Bengalla is not only for this community but also for the hunter area. My employment at Bengalla has enabled me to support my young family and also develop both as an employee and as a person. This submission is not an objection to Mount Pleasant operating for many years into the future as this would provide others the opportunities Bengalla has provided for me, but rather an objection to the modification approval that jeopardises not only myself and my family but also the 600 strong Bengalla workforce.
