I have worked at Bengalla for 8 years, my role at Bengalla is Production Technician, my connection to mining is to the good to my family & the community. I support mining at Bengalla as it has proven to me that they support the community & it enables me to support my family by giving me stable employment. Bengalla is a family name in the community as it supports lots of community events & organisations & makes all families & community members feel welcome when they hold their open days. I am very concerned that the Mount Pleasant modification if approved will allow the railway line for Mount Pleasant to remain in place and cause Bengalla to curtail its operations causing myself & 600 Bengalla employees to lose their jobs. I am very concerned about the large number of local business that will be affected by Bengalla curtailing its operation which will have a detrimental impact on the local community. I would like to see a outcome that both mine continue. Grant White.
