

MAKING A SUBMISSION

To make a submission, please fill in the following fields. Those marked with an asterix "*" are mandatory.

☒ I am making a personal submission

☐ I am submitting my organisations submission

Name: *

Title: First Name: Last Name:

Please tick this box if you do not want your name published in the list of submitters on the department's website: ☐ "Name withheld on request" will appear on the list, instead of your name.

Your details:

Organisation: Position in organisation:

Email: *

Address: *

Address 1:

Address 2:

Suburb:

State: Postcode:

We will publish your suburb in the list of submitters with a link to your submission.

Submission: *

We will publish your submission including any personal information about you which you have chosen to include in your submission, on the department's website. Your submission can be either typed in the column below or uploaded.

I have worked at Bengalla for 19 years as an operator in the open cut coal mine. In my time at Bengalla I have seen that Bengalla is an important part of the local community by supporting community events such as "the Bengalla cup day" horse race "Bengalla Open Day" where the community can come out to the mine and see how we operate to environmental standards. I was employed as an inexperienced operator and feel very fortunate to be part of the Bengalla family for the past 19 years as Bengalla has given me job security, supporting my family of 3 children and 1 grandchild as well as a safe working environment. I am very concerned that the Mount Pleasant Modification, if approved will allow the railway line for Mt Pleasant to remain in place and cause Bengalla to Curtail its operation causing myself and 600 Bengalla employees to lose their jobs, which would greatly impact on local business who are already under stress from Drayton mine closure, leaving 500 without jobs. I feel it would be better for Bengalla, Mt Pleasant as well as the Community of Muswellbrook if both mines can come to an amicable decision so both mines continue for their full life span.
