## **DEVELOPMENT APPLICATION 95/133 MOD 8 – SHELL COVE BOAT HARBOUR AND MARINA – RELOCATION OF OUTER HARBOUR STRUCTURES**

---

Dear Michelle,

Roads and Maritime Services (RMS) refers to your correspondence dated 30 January 2019 regarding the subject development application modification.

RMS has completed an assessment of the development, based on the information provided and focussing on the impact to the State Road Network. For this development, the key state road is Shellharbour Road.

RMS notes the development modification seeks to relocate the outer harbour structures further south-east along the harbour. RMS does not believe the modifications will have a significant impact on the State Road Network and on this basis, does not object to the development application.

RMS notes the subject development modification has been referred to NSW Maritime, who will be providing a separate response.

If you have any questions please contact Rachel Carocci on 4221 2423.

Please ensure that any further email correspondence is sent to [development.southern@rms.nsw.gov.au](mailto:development.southern@rms.nsw.gov.au).

Yours faithfully
