Dear Sir or Madam

**NEW HIGH SCHOOL IN BUNGENDORE
APPLICATION NO. SSD-14394209 – FORMAL OBJECTION**

I refer to the above state-significant development application.

I **object** to the proposal, for the following reason(s):

The proposed DA is taking valuable green space within the centre of our town while there are several other far more suitable proposed sites available that have been overlooked by QPRC for reasons yet to be explained to the people of Bungendore.

The finite available space for this DA does not allow for future growth of this high school in line with the projected future growth of the town and surrounding population and is a 'quick fix' rather than a long-term solution.

The design of the proposed structures are flimsy and prefabricated in look and do not fit with the heritage style of this part of Bungendore.

I have not, and no associate of mine, has made any political donation to any person in the 2 years preceding this submission.

Yours faithfully,

Damian Robinson
