Dear Sir/Madam

BUNGENDORE HIGH SCHOOL PROPOSAL - OBJECTION

I object to **SSDA 14394209** re the current proposal regarding the High School in Bungendore.

Firstly I support a High School in Bungendore as Higher Education is vital for the growing population, BUT NOT ON THIS SITE.

This park area is Crown Land, it belongs to the community of Bungendore, it was gazetted in 1884. It is the only green space in the centre of the village.

This area has many Heritage buildings including the War Memorial, they encompass the park and their significance to the village could be greatly undermined.

The local pool, which was hard fought for by locals, demolished, The community Centre which is well utilised demolished, Bush Balladeers memorial rotunda, relocated.

Traffic flow will be horrendous, it is extremely busy now with the Primary School. To make it worse a very well used road will be closed. And the planning of the High School ultimately will not be big enough, due to population growth.

The park has a reported indigenous grave site.

There is another site still available which is more appropriate. What part of this(it's not going to work), doesn't get across. We are now informed that a 2.1mitre high fence will be put up around the High School Area...really!! Sounds more like a goal precinct.

I have not, and no associate of mine, has made any political donations to any person in the last 2 years preceding this submission.
