Parramatta NSW 2124

Dear Sir or Madam

**NEW HIGH SCHOOL IN BUNGENDORE  
APPLICATION NO. SSD-14394209**

I refer to the above state-significant development application.

I **object** to the proposal, for the following reason(s):

- *the proposed site for the High School is to be constructed across an important access road (Majara St) and extending over parts of Bungendore Park and the Common*
- this site has a very small building envelope and will constrain the future growth of the High school's potential.
- the status of Bungendore Park, Crown Land gazetted 1844 and dedicated for public recreation
- increased traffic and road safety risks. A danger due to proximity of railway line. The closure of an important and heavily used road (Majara St) without the benefit of traffic studies.
- alternative sites, which offer considerably more land, with the potential for growth and with better connections to existing major roads (particularly beneficial for students from new developments and outlying areas) have been identified close to Bungendore.
- the proposed site is very limited, planning appears to have been rushed in an area (ie Bungendore) which is expanding rapidly

I have not, and no associate of mine, has made any political donation to any person in the 2 years preceding this submission.

Yours faithfully,  
Lindsay Snowdon
