Dear Sir or Madam,

NEW HIGHSCHOOL IN BUNGENDORE
APPLICATION NO. SSD-14394209

I refer to the above state-significant development application.

I object to the proposal, for the following reasons:

Location – Bungendore Park & Bungendore Common

The loss of Public Green Space for locals and visitors – it will no longer be available for the community to use for recreation.

The proposed site will disrupt the visual appeal of the historic buildings that surround it e.g. St Joseph's Convent, St Joseph's School – now Bungendore Pre School, Bungendore Railway Station, Bungendore Public School, Bungendore Post Office and the Bungendore Police Station. There is no room for expansion and it will impact the local community

Closure of Majara Street Bungendore

This would cause significant congestion with local traffic, coast & snow traffic, traffic from Elmslea. The lack of parking would add to the congestion.

Lead Contamination

Railway Corridor and areas of Bungendore Station are contaminated with lead

I have no affiliation with any Political Party or made any political donations to a Political Party.

Yours faithfully,

Elizabeth Doyle
